

*This worksheet is designed to get you starting to think like an Angel Investor and where to get started in your journey.*

## 1. Where Startups Raise

What is your initial image of where startups in Japan typically raise funds?

## 2. Initial Reflection Exercise

What would success feel like for me if it took 10 years?

Can I stay the course if I get no return for 5 years?

## 3. Simulation: Portfolio Builder

Could you emotionally hold this portfolio through 7 failures?

*(Take any notes or personal realisations below)*
